# Add your Enphase and SolarEdge Monitoring Credentials
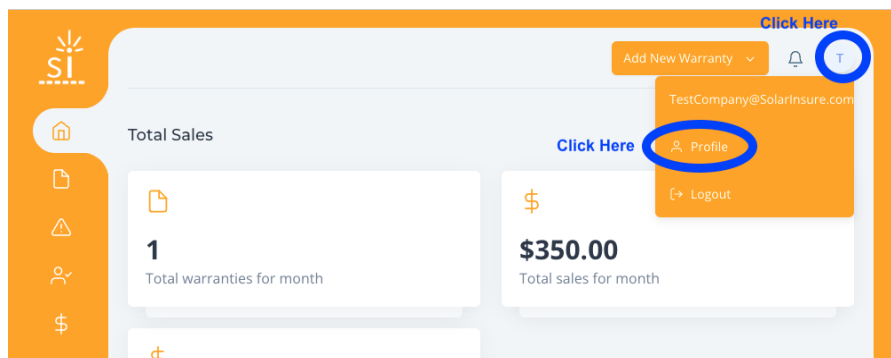

Follow these simple steps to add your monitoring credentials to the Solar Insure Platform.

1. Email and password
   - Go to the **Solar Insure Login** page.
   - Enter your user name and password.
   - Once you have entered your credentials: click *Login*.

2. Go to the top right corner and click on the **circle** followed by **"Profile"**

3. From your profile page, click on Integrations

- From here add your Enphase Englighted Username and Password
- Add your SolarEdge API Key
  - For help with your SolarEdge API Key, use this video tutorial
